

Supply List for Classes

For the most part the items each student will need at the Collegiate High School are standard school needs (pen, pencils, notebook of your choosing). A WATCH is always a good investment. There are NO BELLS at the Collegiate HS to change classes. Students are responsible for knowing when their classes begin and getting to class on time. Please bring a pen or pencil with you the first day of school, August 8, 2011, along with the two books you selected for your summer reading and your reading assignment. Students will be provided with textbooks, a Student Planner, and a locker with an attached lock. Calculators are available for checkout on a daily basis through the front office. Questions? Please give us a call at 729-4949.

10th GRADE SUPPLIES:

Mathematics

No. 2 pencils	Book Cover
Graph paper,	Loose –Leaf paper
Four (4) Spiral Notebooks	

TI83 Plus or **TI84 Plus** calculator, *not the TI86 or TI89* version
(**A classroom set of calculators is available for use in school, but may not be taken home.** If you do purchase a Texas Instrument calculator, we would appreciate you saving the “points” printed on the package and turning them in to the Collegiate HS. The points can be added together for free calculators.)

2” three ring binder
Notebook dividers
Lined notebook paper
Blue or black pens
Highlighters
Post-Its

History:

2” Binder
3 subject spiral notebook
Colored Pencils
3 x 5 index cards

Reading and College Success:

2 inch 3 ring binder (no spiral)	Post-It Notes (any style)
1 package of insertable, 5 tab notebook dividers	3 x 5 index cards
Lined notebook paper	
Black or Blue pens & #2 Pencils	

11th & 12th GRADE SUPPLIES:

Paper and Pencil/Blue or Black Ink Pen . . . every day for all classes, beginning August 8, 2011.

College Instructors may have specific requirements for each class. Other than purchasing the basic school supplies, you may want to wait until you receive the syllabus from the college instructor to purchase supplies unique to the class.

FOR ALL STUDENTS:

The following items are provided as helpful suggestions:

A USB Flash drive or jump drive is a **recommended investment** so that students can back up files. This provides for a solution if the laptop develops a problem and has to be repaired, and protects against the loss of time consuming assignments.

We are also asking this year for help in offsetting student usage costs by requesting donations of either a ream of white 8 ½ x 11 inch copier paper that will be used for the student printers, or a box of Kleenex. If you would be willing to help with one of those two items, please drop them off at the Collegiate HS office and know they will be much appreciated and put to good use by our students.
