100 College Boulevard
Niceville, FL 32578-0000

Dear Mrs. Cotton,

Congratulations to you, your faculty, students, and school community for being honored as one of the top 100 schools in the State of Florida and the top high school in Okaloosa County. This recognition was determined by the total points your school received on the school grading criteria and your outstanding achievement under the A+ plan.

By setting high standards, providing challenging content and consistently supporting students as they endeavor to achieve academic success, you and your staff increase possibilities for all students to reach their highest educational aspirations.

It is my pleasure to join Education Commissioner John Winn in thanking your staff for their dedication, commitment and hard work. Please enjoy this time of celebration and share this success with your faculty and students. Best wishes for an even more productive school year ahead.

Sincerely,
